Dear Mr McCloy,

FREEDOM OF INFORMATION ACT 2000 – INFORMATION REQUEST

Your request for information regarding Travel expenses and subsistence has now been considered and some of the information requested is enclosed.

I am requesting information as per the following:

- 1) For each Executive, non-executive, provide name and job title,**

Amount paid for the year 2011/12 on travel and subsistence

See attached response - Table 1 & Table 2.

- 2) For Each other person employed by the Trust, including their name and job title,**

Amount paid for the year 2011/12 on travel and subsistence

Your request has now been considered by the Southern Health & Social Care Trust and unfortunately cannot be processed.

This is because the cost of locating and retrieving the information exceeds the "appropriate limit" as stated in the Freedom of Information (Fees and Appropriate Limit) Regulations 2004. In order to obtain this information from a number of departments it would exceed the £450 limit and is therefore cost prohibitive.

The remaining information you have requested is exempt from disclosure under the Freedom of Information Act. The exemption is Section 40 (2) of the Freedom of Information Act as that information is that person's personal data and disclosure would be likely to breach one or more of the data protection principles in the Data Protection Act. Section 40(2) is an absolute exemption and the requirement to consider the public interest in whether to disclose exempt information or not does not arise.

3) For each person not employed by the trust, including their name, company and job title:

Amount paid for the year 2011/12 on travel and subsistence
